Dear Esteemed Patient:

Thank you for choosing to make an appointment at the Santa Monica UCLA Comprehensive Spine Center.

Your initial consultation will be with spinal neurosurgeon, Duncan McBride, MD. He will obtain a medical history and perform a physical examination (with or without a Spine Fellow, Resident, Physician's Assistant, Nurse Practitioner student). The Santa Monica UCLA Comprehensive Spine Center advocates a multi-disciplinary approach to strive and attain the best possible healing and recovery for every patient. Because every patient is unique, we prescribe and perform treatment based on a thorough evaluation, utilizing the latest technological advancements available. We believe in evaluating patients promptly and educating them on their diagnosis so they can play an active role in the decision-making and treatment process. Our experience has shown that patients who participate in their own health care decisions are far more likely to achieve an optimal level of healing and recovery.

Please be sure to bring the following to your appointment:

- **Most current diagnostic images** that pertain to your current medical condition (i.e. MRI, CT, x-rays; SSEP or EMG report, etc.).
 - If your imaging was performed within the UCLA system, our office will have them available for your visit.
 - If your imaging was performed at an outside facility, please hand carry a CD of your imaging, along with the report.
- **Prior medical records and consultation reports** from your referring physician/other specialist you have seen that pertain to your current medical condition (i.e. Physical Therapy; Pain Medicine; Operative reports, etc.).
 - If your prior care was performed within the UCLA system, our office will have them available for your visit.
 - If your prior care was performed at an outside facility, please hand carry your reports.
- **Your medical insurance card(s)**
 - If you have HMO Insurance, please bring your "Letter of Authorization" and your co-payment. If you do not bring your authorization letter and we have no authorization on file, you will be financially responsible and you will be expected to pay the consultation fee on the day of your appointment.
- **New Patient Questionnaire**
 - Please hand carry the completed New Patient questionnaire (see attachment).

If you have any questions, please contact the UCLA Spine Center Appointment Scheduling desk at (310) 319-3475.
PLEASE NOTIFY US OF ANY CANCELLATIONS AT LEAST 24 HOURS PRIOR TO YOUR APPOINTMENT.

Please find attached a New Patient questionnaire and a map with directions to our location.

We look forward to seeing you.

Sincerely,

Patient Care Coordinator

To help people say how good or bad a health state is, we have drawn a scale (rather like a thermometer) on which the best state you can imagine is marked 100 and the worst state you can imagine is marked 0.

We would like you to indicate on this scale how good or bad your own health is today, in your opinion. Please do this by drawing a line from the box below to whichever point on the scale indicates how good or bad your health state is today.
